

PARENTING CLASS PROVIDERS

Section 36-6-408 of the Tennessee Code requires that any time a parenting plan is entered with the court both parents are required to attend a parent education seminar. You are required to attend this seminar and show proof of your completion of the class by providing the court with certificate of completion from one of the approved providers listed below.

We've listed these providers as a service to our clients going through divorce. But it's up to you to call and find out what the dates of times of available classes are. Please remember that you need to complete this class within 60 days of your divorce complaint being filed.
