Is there any specific thing you would like to say about the outcome of your case or the service you received?

Mr. Ferrell and his staff were all very polite and professional. Being treated with respect was key to both sides of the case because we wanted to treat Mr. Ferrell and his staff just as we wanted to be treated in return. The outcome of our case was successful. It wasn't a quick, get rich situation and we knew that going into it.

Success of our case was that Mr. Ferrell continued to fight in our behalf until we all felt a reasonable negotiation took place. The success was that we felt Mr. Ferrell was giving us his very best and was advising us as if we were family. We came away with much more than a dollar amount. We came away with wisdom and gratitude for honest efforts in the legal system.
